K1 MEMORANDUM FOR: [REDACTED]

SUBJECT: Notes for [REDACTED] Meeting

25X

Part III of the Perspectives paper lists 23 specific objectives. The eight listed below appear to me to be of particular concern to PRD. After each, I have noted briefly what, if anything, PRD is doing about them.

1. "...identification & accelerated dissemination of critical material"
  - Crisis management
    - a. Post mortems
    - b. Commo techniques (NOIWON, NOIAN, CONTEXT)
    - c. Watch mechanism
    - d. Alerting memoranda
2. "Development of improved techniques and disciplines of analysis & production"
  - National family of products
    - a. NIB
    - b. Nat'l Crisis SITREP
  - OMB Study
3. "Development of improved methods of presentation"
  - NIL (NID)

SECRET

4. "Examine possibilities of increased utilization of intel through sanitization, wider dissemination, etc."

NIL (New USIB Security Committee has responsibility)

5. "Develop orderly procedures for evaluating user satisfaction & dissatisfaction with intel products"

NIL

6. "Improve communications, reduce bureaucratic rigidities, and improve responsiveness and flexibility"

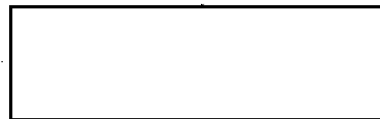

Crisis management per paragraph 1 above  
(CIA/State interface - CPAD responsibility)

7. "Produce periodic evaluations of products and performance"

Post mortems

8. "Assure that training & familiarization are undertaken in new methods of collection, analysis and production"

OMB Study, Training Study
